Avvio

Avvio vinyl plank flooring combines excellent durability with great style and performance. Perfect for every area of your home Avvio is 100% Waterproof, easy to maintain and stain resistant.

Technical Data

Type:	Vinyl Plank Flooring	Dimensions:	1320mm x 196mm
Total Product Thickness:	2mm	Wear Layer:	0.3mm
Units Per Box:	18 boards	m² per box:	4.66
m² per pallet:	260.79	Colours:	14
Country of Origin:	Belgium	Finish:	Matte
Surface:	Embossed	Profile:	Micro Bevel
Coating System:	Superguard®	Installation Method:	Direct Stick

Performance

Classification:	(EN ISO 10874) Residential 23, Commercial 31	Abrasion Rating:	(EN 660-2) Group T
E3 Internal Moisture:	3.0 Watersplash - Alternative solution	Suitable for Wet Areas:	All wet areas - subject to proper installation and maintenance
Topical Moisture Resistance:	(ISO4760) No penetration through assembled joint	Impact Sound Reduction:	Please refer to Godfrey Hirst Acoustic Performance specification sheet
Light Reflectance Values:	750 - 33.21 120 - 44.15 720 - 31.20 350 - 30.40 550 - 15.80 160 - 19.13 150 - 43.64 300 - 44.35 500 - 25.59 700 - 19.55 180 - 12.47 100 - 64.96	Smoke Value:	Direct Stick: (EN ISO 9239) 100% minutes With Underlay: (EN ISO 9239) 141% minutes
Slip Resistance:	(AS/NZ 4586-2013) P3, R9		

Sustainability

Product Transparency:	Global GreenTag, GreenRate Level A certified
Accreditation:	Manufactured under a quality and environmental system certified and complying with ISO 9001 and ISO 14001 by an accredited certification body.
Indoor Air Quality:	European E1 Standard

Manufacturing Standards:

All specifications and colours are subject to manufacturing tolerances and may be changed or discontinued without notice. Product images are for reference only; actual colours may vary from samples due to printing variations, batch differences, and lighting conditions. All variations are within industry standards.

Natural Product Characteristics:

Hard flooring products may display natural variations in colour, grain, texture, and pattern between batches and individual planks or tiles. These variations are inherent characteristics of the product and do not constitute a manufacturing defect.

Water Resistant/Waterproof Flooring:

Water resistance and waterproof performance are subject to proper installation, ongoing maintenance, and compliance with local building codes and regulatory requirements.

Installation:

All hard flooring must be installed by a qualified professional in accordance with NZS AS 1884:2013, relevant referenced standards for moisture testing and subfloor preparation (e.g. AS/NZS 1080 where applicable), recognised industry best practice, and the applicable Godfrey Hirst installation instructions. Proper subfloor preparation, moisture management, and acclimatisation are essential to ensure product performance and longevity.

Maintenance:

Maintenance requirements vary by product type. Refer to the specific care and maintenance guidelines for your flooring product to ensure optimal performance and longevity.

Product-Specific Notes:

Timber: Nested/random lengths may occur. As this is a natural product, some boxes may include one 'nested' board (i.e. two boards comprising the quoted board length). All boxes will provide the coverage quoted.

Vinyl Sheet: Each colour has a specific pattern repeat and laying direction, refer to the Product Specification Sheet for details. Pay particular attention to the directional arrow to determine if the design should be installed in a standard or reverse direction. LRV indicates Light Reflectance Value, PR is Pattern Repeat, and PTS denotes Plank/Tile Size.

Warranty:

All Godfrey Hirst floors carry a comprehensive warranty supported by New Zealand after-sales service. As a New Zealand manufacturer, we recognise all consumer rights under the Consumer Guarantees Act 1993 and match any equivalent performance guarantee offered in the marketplace at the time of purchase. Commercial warranties are issued project-by-project with specific terms and conditions.

For detailed warranty information, installation guidelines, care instructions, and product characteristics, visit www.godfreyhirst.com or call 09 268 3300. For commercial project-specific warranty enquiries, contact your GH Commercial Account Manager.

Test results and certificates available on request.
