Metropol 1500

Metropol 1500 from Godfrey Hirst is **a technologically advanced hybrid floor designed to combine the beauty of natural timber with the practicality of modern flooring performance**. Available in a versatile range of timber-inspired hues, it offers a stylish and reliable foundation suited to a wide variety of interior styles and applications.

Featuring an embossed surface texture, matte finish and micro bevel edges, Metropol 1500 authentically replicates the look and feel of real timber. **The realistic grain detailing and refined colour palette create a contemporary yet timeless aesthetic**, bringing warmth and character into any space.

Built with advanced Trigon® Core Technology, Metropol 1500 delivers exceptional strength, stability and impact resistance. Its waterproof hybrid construction provides added confidence throughout the home, while the durable PUR coating helps protect against everyday wear and maintain long-term appearance. The Uniclic® installation system enables efficient installation, making it a practical choice for both renovations and new builds. Green Building Council of Australia compliant for VOC emission standards and backed by a 25 Year Hybrid Limited Residential Warranty*, Metropol 1500 offers **a flooring solution that balances style, durability and long-term value for modern living**.
