## Our Guarantee

In addition to any rights available under Australian Consumer Law, Godfrey Hirst guarantees that, when used in a residential premises in accordance with the General Conditions and Homeowner Obligations set out below, your carpet will perform as set out below for up to 7 years following the original installation (see pro rata details below):

- **Fibre Loss Guarantee** - The surface fibre of the carpet will not abrasively wear so as to lose more than 10% from the pile of the carpet. Pile/fibre loss does **not** include other changes in carpet appearance: e.g. matting (the loss of twist from the tips of pile and entanglement of the fibre), or crushing (the non-restorable pile flattening due to foot traffic, castor wheels or pressure of furniture) or pilling or pile loss due to events set out clause 5 of the General Conditions.
- **Insect Deterrent Guarantee** - Your Godfrey Hirst wool carpet has been treated to deter insect and moth infestation. The treatment does not stop insects from entering your home and moths/ beetles in some areas have developed a tolerance to treatments. The insect deterrent treatment is embedded in the carpet fibre and needs to be ingested by the insect to have an effect and stop further spreading – such that some fibre loss may occur and good housekeeping is essential. Regular vacuuming along skirtings, under furniture and in corners will discourage insects and reveal any infestations at an early stage.

If you believe there may be a minor infestation, you should thoroughly vacuum the area (spraying the contents of the vacuum cleaner with insecticide prior to disposal) and treat the infested area, extending 15cm beyond the boundaries of the activity, with an insecticidal aerosol spray or powder following the manufacturer's directions and precautions. In the case of serious infestations or if the initial treatment is not successful, it is recommended you contact a professional pest control operator.

## Consumer Guarantees

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Godfrey Hirst guarantees that, provided your carpet is maintained as set out above, your carpet will not show visible damage due to insects.

**NOTE:** As a textile product, carpet will change its appearance over time as set out in the Carpet Characteristics section of the Godfrey Hirst Carpet Collection guide.
