Inspired by the provincial homes that dot the French countryside, Chateau Oak is the embodiment of elegant, humble comfort. This stunning engineered timber floor highlights the authentic texture and grain of real Western European Oak. The unique pattern features of each board is accentuated by subtle micro bevelled edges, and finished with a light brush to bring charm and warmth to your floor.

Every timber floor is different, and will always vary from any images or samples with colour, grain and textural variation. The illustrated patterns and colours/samples are only an image/example and not a full overview of all the different nuances within the natural unique design of a timber floor. Colour appearance can also vary depending upon the type of light under which an image/sample is viewed and light sources where the flooring is installed. For a representative view of the surface structure and variation of a board take a look at the large samples and ask your Godfrey Hirst account manager. *This product comes with a residential warranty for new product installed indoors in a residential home, if properly installed and maintained. This warranty is in addition to consumers' rights under the statutory consumer guarantee provisions in the Australian Consumer Law, which may exceed the rights under this warranty. The amount recoverable under the warranty decreases after fifteen years. For full information in respect to the scope and limitations of this warranty, please refer to the full terms and conditions available from your retailer, by calling 1300 444 778, or by download from www.godfreyhirst.com. *Terms and conditions apply to all commercial warranties – contact your Godfrey Hirst account manager. *32% Nested/Random lengths. As this is a natural product, boxes included 'nested' boards (i.e. two boards comprising of the quoted board length). All boxes will provide the coverage quoted.
