- Elegant designs with embossed finishes create a stunning look.
- Godfrey Hirst vinyl plank floors have a soft and warm feel that is quiet underfoot.
- Stylish and comfortable flooring option.
- Flexible and water resistant, Godfrey Hirst vinyl plank floors can be installed in wet areas such as bathrooms and laundries (subject to proper installation and maintenance).

CARE AND MAINTENANCE

Your Godfrey Hirst vinyl plank floor has been designed with low maintenance in mind to give you more time to enjoy your new floor.

With a little routine care and regular maintenance, it is easy to look after your Godfrey Hirst vinyl plank floor. Just follow the easy steps below:

- **Immediately** – clean up any liquid or water based spills or any other potentially staining marks using a dry clean cloth. Though Godfrey Hirst vinyl plank floors are water resistant, don't leave liquid/water based spills there just to test it. Godfrey Hirst floors are resistant to most spots and stains, however some materials or colourants (such as tar, grease, oil, dyes, waxes, ball point, marker pens, pet mishaps or foods/ beverages containing strong dyes as mustard, curry, cordial, coffee, tea etc.) may under certain conditions migrate into the wear layer causing indelible stains.
- **Daily, or as required** – remove any loose dirt or grit which could damage the floor by sweeping with a soft dry broom or vacuum (preferably with an effective dust filter and suction nozzle for hard surfaces turning off a power head, if installed).

- **Weekly** – clean using a damp mop the floor using water and a PH neutral cleaner to remove any footprints, dirt and other stains or marks.
- **As required** – stubborn scuffs and stains can easily be removed using a damp cloth or sponge with a diluted solution of methylated spirits. Ensure the methylated spirits is completely rinsed from the flooring.

When cleaning the floor:

- Never use abrasive cleaners, nylon scouring pads, steel wool, scouring powder or bleach as they may damage the floor.
- Never use oil, soap, wax or polishes as these finishes may make the floor slippery and can leave a dull finish on the floor.
- Never use a steam-mop or steam-cleaner.

You should also never flood the floor with water. Excessive water can damage your floor. Promptly soak up bulk liquid spills.

NOTE: Godfrey Hirst vinyl plank floors have been designed for use in internal environments/installations. While they are extremely easy to care for, robust and durable, they are not appropriate for outdoors.

PROTECT YOUR FLOOR

Follow these simple steps to achieve many years of enjoyment from your Godfrey Hirst vinyl plank floor:

- Place entrance mats (which must not have a rubber backing) at all exterior doorways and entrances to trap dirt, sand, grit, moisture and other substances from shoes. Double mats (a coarse exterior mat and medium interior mat) are recommended for residential installations and triple commercial mats with a minimum walk off zone of 3.5 metres for commercial installations. Clean mats regularly.
- Use non-staining felt protectors under heavy pieces of furniture. Fit office chairs, filing trolleys, mobile containers and furniture, with soft treads or castors. Chair pads should be used under desk chairs with castors.
- Never drag, slide or roll furniture or appliances across your floor. Protect the surface if using a trolley to move heavy objects.
- Spiked heels or shoes in need of repair can severely damage your floor. In areas of excessive traffic and wear, make use of runners or area rugs. Rugs should be cleaned regularly.
- Pet claws can scratch your floor. Keep nails trimmed.
- Floor to ceiling windows coupled with the harsh Australian sun can create floor temperatures of over 70°C. Your floor should be protected from extreme temperatures and strong, direct sunlight by the use of interior temperature and humidity control (recommended temperatures 10-30°C and relative humidity between 30% and 70%), window tinting, awnings and/or curtains/blinds. Dramatic temperature changes and/or extreme humidity can cause joints to lip/gap and prolonged direct sunlight will cause fading.

COMMON CHARACTERISTICS

- Vinyl plank flooring products can display discolouration caused by contact with rubber products such as rug/mat backings, furniture feet, rubber soled shoes/slippers, wheels for trolleys and wheelchairs etc. which are likely to leave permanent marks. Only non-staining vinyl backed mats or woven rugs identified as colourfast should be used on vinyl plank floors. If the floor is to be subjected to any of these applications, darker colours are recommended which will hide any discolouration, should it occur.
- Even though Godfrey Hirst vinyl plank floors are stable, boards can still be subject to normal expansion and contraction during changes in climatic conditions leading to small gaps between planks. Gaps should not exceed 0.1% of board length. This is a normal feature of vinyl plank floors and not considered a manufacturing defect.

INSTALLATION

Godfrey Hirst vinyl plank floors should be installed with hard set adhesives in accordance with the Godfrey Hirst Vinyl Plank Floors Installation Instructions available at:

www.godfreyhirst.com

If your Godfrey Hirst vinyl plank floor is to be installed in a wet area, only fibre cement underlay can be used. The wet area should be perimeter sealed with flexible silicone filler and adhesive manufacturer recommendations for wet rooms must be carefully followed. **Check to ensure product suitability/compliance with your local buildingcode.**

If the floor is improperly installed this may void the Godfrey Hirst Vinyl Plank Floors Residential Warranty.

Before installing a Godfrey Hirst vinyl plank floor, installers should check to make sure it is undamaged, of the right size with no visual defects when viewed standing up in daylight at the installation site. If any boards or sheets are visibly faulty or deemed visually or structurally inappropriate, they should not be installed and the fault should be immediately reported to the retailer.

Care needs to be taken to properly inspect the flooring before it is installed as Godfrey Hirst may refuse a claim under the Godfrey Hirst Vinyl Plank Floors Residential Warranty where a reasonable inspection of the flooring before installation would have identified the fault.

VINYL PLANK FLOORS RESIDENTIAL WARRANTY

The following Godfrey Hirst Vinyl Plank Floors Residential Warranty is provided by Godfrey Hirst Australia Pty Ltd ABN 58 000 849 758 (Godfrey Hirst) in respect to its vinyl plank products. The benefits given by this warranty is in addition to other rights and remedies of the consumer under a law in relation to the goods.

The Godfrey Hirst Vinyl Plank Floors Residential Warranty is subject to and qualified by the "General Warranty Conditions" and "Homeowner Obligations" set out on the following pages.

You can establish the specific warranty period applicable to a particular vinyl plank floor (which applies from the date of the original installation) (relevant period) by checking the labels on the back of the samples, the relevant Godfrey Hirst vinyl plank flooring product brochure, or by asking your retailer.

Abrasion / Wear Resistance Warranty

Godfrey Hirst warrants that under normal household conditions the wear layer will not wear through the design layer surface of your Godfrey Hirst vinyl plank floor in a single area greater than 1cm² for the relevant period.

Abrasive wear means actual wearing through of the floor surface to show a visual change in the floor's appearance and does not include other changes in appearance: e.g. scratches, chips, indentations, small gaps due to seasonal movements, gloss variation between boards, reductions in gloss level etc.

Consumer Warranties

Our goods come with warranties that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonable

foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

General Warranty Conditions

This Godfrey Hirst Vinyl Plank Floors Residential Warranty applies only:

- In Australia;
- In respect of Godfrey Hirst vinyl plank floors purchased after 1 March 2019;
- To the original purchaser of the floor or in the case of a builder or developer the owner of the residential home 6 months after purchase of the floor;
- To floors installed using hard-set adhesives in accordance with the Godfrey Hirst installation instructions set out in this booklet and leaflets in the boxes and on our website at www.godfreyhirst.com;
- To new, first quality flooring in its original installation; and
- To floors used indoors in a residential home, excluding areas subject to significant non-foot traffic, and excluding areas/room with built in drains (e.g. showers).
