The floor of your home is the foundation of your interior style.

The sleek, contemporary design of Godfrey Hirst Laminate floors offer an affordable and durable flooring option.

Available in a variety of striking designs and colours, Vista, Astoria, Belle Endless, Belle XL and Amor Classic ranges are bursting with character and will accentuate the beauty of any home.

Godfrey Hirst Laminate flooring can be used in a variety of spaces, thanks to a durable surface coating which protects against residential and commercial wear. Manufactured to the highest of international standards, backed by globally recognised certifications.

The trend is clear: Environmentally aware consumers are increasingly choosing to install modern, healthy, eco-friendly laminate floors by Godfrey Hirst.
Amor Classic not only harnesses the stylistic nature of timber, these practical laminate planks also have a water resistant surface making it suitable for all areas of your home including bathrooms, kitchens and other wet areas. Create a modern looking interior space with ease, with the peace of mind that your floor will stand up to everyday life.

Construction

1. Aluminium oxide overlay for abrasion resistance.
2. Decorative layer for an accurate representation of timber.
3. An HDF (High Density Fibreboard) core.
4. A balancing layer on the underside of the core to preserve structural stability.

Underlay

Godfrey Hirst Arriba® is a high density, closed cell foam underlay that significantly reduces the noise of footsteps and integrates a moisture suppressant layer between your floor and existing subfloor.

- Inert, does not deteriorate or mildew
- Good tear, tensile & compression strength
- Provides a moisture suppressant layer
- Lays flat with good thickness tolerance

Godfrey Hirst Arriba Plus® is a high quality acoustic underlay that has been designed to provide optimum acoustic performance and comfort under foot. It provides superior impact sound insulation.

- Reduces the drum sounds of your floor
- Enhances underfoot comfort
- Excellent tear, tensile & compression strength
- Lays flat for easy installation
- Will not mildew or hold moisture

### Ratings

#### Abrasion Ratings

The abrasion ratings of Laminate floors range from AC1 (bedroom) - AC5 (public buildings). Godfrey Hirst Laminates achieve an abrasion resistance rating of AC3 or higher.

#### Class Ratings

The class rating represents impact and stain resistance as well as the effects of furniture legs, castors, and other performance indicators. It is divided into Residential and Commercial. If the product is commercially rated, it will perform even better in your residential home.

A two digit numerical is shown within each icon where;
First digit indicates the rating: 2 = Residential 3 = Commercial
Second digit indicates traffic intensity level: 1 = Moderate, 2 = General or 3 = Heavy
